

## Elevator Association of Minnesota, Inc.

2333 Waters Dr • Mendota Heights, MN 55120

Dear Association Member:

On behalf of the Elevator association of Minnesota, you are cordially invited to our annual Golf Event to be held at Willinger's Golf Club on August 27, 2020.

The format and rules will be the same with a shotgun start at 11:30 am SHARP!!

This year, we will be having lunch at 10:30 am and a **full buffet dinner** safely served by the restaurant staff at the reception after the round. The cost of the golf outing is \$120.00 per player. This includes green fees, cart, lunch, buffet dinner, (2) drink tickets.

Willingers will be allowing 2 people per golf cart. If participants would prefer you can request an individual cart for a fee of \$15/cart (subject to availability).

You must be an active EAM member to register for this event. We are asking each member company to help offset the cost of the event by sponsoring a hole and participating with a foursome of golfers.

We look forward to full participation from everyone. You are welcome to bring a guest if you wish, however, you must register your guest in advance so appropriate matching and space can be arranged.

**RULES AND SCORING FOR "SCRAMBLE" PLAY:**

- Each player will hit his or her drives from the regular tee.
- The best drive will be selected by mutual agreement. The other three players will pick up their balls and place them within one club length of the selected best drive. You must use each player's drive at least twice.
- Each team member will then hit their second shot from this selected position. Once again, choose the best of the four shots and repeat the procedure.
- On the green, place a mark next to the ball selected for play so that the other three balls may be picked up and putted from exactly the same position.
- The team captain will record the scores as follows: If the team scores a 4 on a hole, then each member of the foursome receives a 4 on the scorecard. All members of the team will end up on the 18 holes with exactly the same total score.
- You may improve your line with your club head on fairways and in the rough a maximum of one club-length or nearer the hole. No penalty.
- Each player is allowed to take one "Mulligan" each. The "Mulligan" MUST be a TEE SHOT and is allowed off any tee EXCEPT PAR THREE HOLES.
- Ties: All ties will be decided by a cut of the cards. High card wins, low card takes next place.
- Team captain is responsible for scorecards. Scorecards must be returned to the Pro Shop.

**2020 Course Guidelines**

- No ball washers out on the golf course. Players should consider bringing their own method for cleaning their golf balls.
- All players leave the flag in. A PVC pipe in the cup allows the ball to fall into the hole but not completely to the bottom.
- There are no bunker rakes in any of the bunkers. Please smooth out the sand as best you can with your feet.
